Commissioners may appear by telephone in order to establish a quorum. It is not limited to financial interests, but may, in the individual judgment of the voting Commissioner, include other interests such as personal friendships, family relations, or other associations with groups or persons. A Commissioner should always avoid even the appearance of such conflict by full, public disclosure of such interests when appropriate and, where possible, by abstaining from participation in any form in the performance or exercise of the official, discretionary actions.

2. Commissioners with a conflict of interest who choose to abstain from voting on the item may leave the Hearing Room until the matter has concluded.

3. Unless the situation described in K.1. exists, a Commissioner should refrain from voting on any matter when that Commissioner has not been present to hear or observe all evidence presented and accepted into the record by the parties and all other individuals who offer testimony or evidence.

M. **CALLING THE ROLL:**

A tie vote shall be deemed a failure, and the item shall be withdrawn.

O. MOTION TO SUSPEND RULES:

1. The purpose of this Rule is to enable the Board to set aside one or more of its procedural Rules that would otherwise prevent consideration of a certain action. A Motion to Suspend Rules suspends only those Rules, which specifically interfere with the consideration of the particular action involved. The Rules are suspended only temporarily and are automatically reactivated when the proposed action has been considered. A Motion to Suspend Rules requires three affirmative votes.

P. ROBERT'S RULES OF ORDER:

1. In all other cases not governed by the foregoing provisions, Robert's Rules of Order Newly Revised shall govern unless otherwise provided herein.

XIII. OFFICIAL PUBLIC HEARING PROCEDURES (LEGISLATIVE AND QUASI-JUDICIAL MATTERS)

3. The Chair may request comments from members of the public on all matters where public comment is not legally mandated, and determine, announce and enforce the time allotted to speakers in a fair manner.
4. The Chair may request speakers to confine comments to the issue(s) under consideration, offer factual information, and to refrain from repetitive and cumulative evidence.

5. The Chair or other assigned representative shall direct large crowds or gatherings as necessary to avoid over-crowding of the Hearing Room and violation of fire code provisions. Groups of citizens may be asked to select a representative who will be admitted to the main Hearing Room, with other members of the group being seated in an adjacent room with the audio to be broadcast from the hearing.

6. In order to maintain decorum and a businesslike atmosphere, and out of respect for our fellow citizens, the Chair shall establish what types of language and comments will not be considered acceptable. Speakers are requested to refrain from disruptive behavior. Speakers shall remove headwear out of respect. Clapping, shouting and/or other outbursts will not be tolerated, and picket signs are prohibited. Unfair tactics intended to monopolize the press coverage of the meeting will not be allowed. The Chair or otherwise presiding Commissioner is responsible for enforcing the Hearing Rules. If the Rules are not followed, the speaker will be interrupted, reminded of the Rules, and requested to cooperate. The Chair may also call a recess and/or have the offending party escorted from the hearing if disruptive behavior persists.

7. The Chair shall decide all questions of order, subject to the Board's right to overrule the decision of the Chair. In case of an appeal from a ruling of the Chair, the question shall be: "Shall the decision of the Chair stand as the decision of the Board?" If a Commissioner violates the Rules, the Chair shall call such member to order, in which case the member shall be silent unless permitted to explain.

D. COMMISSIONER DISCLOSURE:

1. All members of the public, Elected Officials and County employees are invited to contact any or all Commissioners to provide input regarding any matters that may come before the Board. Each speaker must sign in on the log provided at the podium.

6. When called by the Chair, Commissioners may address or ask questions of each speaker upon completion of their presentation. (Persons in the audience shall not be allowed to address any speaker at the podium.)

7. The Chair shall then call for those one at a time who desire to address the Board in opposition of the item.

8. The applicant will then be afforded the opportunity to provide rebuttal.

9. If comments by the opposition are allowed after the rebuttal, then a final rebuttal shall be afforded to the applicant.

F. CLOSING THE HEARING, BOARD DECISION(S) AND APPEAL(S):

1. Upon hearing from all speakers, the Chair shall declare the hearing closed and request discussion or questions from the Commissioners.

2. Upon receipt of a motion and second, the Chair shall summarize the motion and call for discussion from the Board members.

3. Any Commissioner shall have the right to express dissent from or protest against any Board action, and have the reason therefore entered into the record.

4. The Chair or presiding Commissioner shall then call the question on the motion, and announce the passage of the action noting any votes cast in opposition or abstention and any absences. Any Commissioner, staff member or member of the public may receive clarification of a motion.

5. The Chair shall be automatically authorized to execute all necessary documents and orders disclosed during the meeting by personnel to effectuate the intent of the Board. Such action need not be a part of the motion.

6. Staff direction may be provided by Board majority consensus. The Board's direction shall be stated on the record and shall not be binding upon the Board in future matters.

G. ABBREVIATED HEARING PROCESS:
